YC1 Welcome and introductions

Carol gave an introduction to the Youth Council for new members.

YC2 Community Centre Project

Carol and Derek gave the group brief information regarding the community centre project and requested that the group considers what facilities they would like to see in and around a community centre. The group were asked to discuss this with other young people in their groups.

YC3 List of Groups/Activities in Paddock Wood

The list previously drawn up was reviewed. It was agreed that we would review this regularly to add any other groups identified. The group would like this to be displayed on a Town Notice Board and outside schools in the future.

YC4 Logo

Helen Fenner facilitated the group to consider developing logo for PWYC, with the incentive of a prize for the person/group which comes up with the image that most represents Paddock Wood Youth.

YC5 Dates of Neighbourhood Planning events

The group were provided with the dates and asked to share these with their groups, with the aim of ensuring young people are represented on 27/28th April.

Two-day Design Forum, 27th & 28th April from 10am to late on 27th and all day on 28th with a final public meeting at 7.30pm. Anyone can attend during these days for as long as they can spare. Please tell your parents/friends about these events.

YC6 Date of Next Meeting: 11th April, 6-7pm
